<Dear Mrs Donor>

I was delighted to receive your generous donation of <\$gift amount> on <date received>.

I want to thank you on behalf of everyone at ActionAid.

Dr Dash, our Program Manager in Bangladesh is particularly grateful, as gifts like yours are funding the community-building projects he is working on in Nayapara and Kutupalong refugee camps.

When I wrote to you last month I mentioned my own first experience visiting these camps, the unbelievable smell, and the really tragic living conditions.

But what I remember the most is the children. They swarmed around me, just so excited to see a visitor, in fresh clothes and bearing ... paper and pens!

Fancy growing up in an environment where paper and pens are such an incredible luxury.

I couldn't take any of these children with me – although they begged me.

What I have been able to send is your help, thanks to your generous gift.

Some of their parents are now getting training. Some will be able to create their own businesses. Others can earn an income for the first time, get training, learn to write their name.

These children will benefit from this. The 'candle of hope' that your gift represents lights not just their homes, but their whole future.

Thank you for your generosity and best wishes for the festive season.

Warm regards

Claire Sanford  
Manager of Programs
